

A 3x6 grid of colored squares. The top and bottom rows consist of six squares each, with colors from left to right: red, orange, yellow, green, blue, and purple. The middle row consists of six squares with lighter, pastel versions of the same colors: light red, light orange, light yellow, light green, light blue, and light purple. The word "rainbow" is centered in the middle row, spanning across the light yellow and light green squares.
